

# Fellow Teacher Recommendation Letter

To Whom It May Concern:

I have worked with Mrs. Jacqueline Stanescu for twelve years at Hill City Elementary School. As her colleague, I am a witness to the remarkable qualities of Mrs. Stanescu.

She is an excellent Art teacher. She is a favorite among students and can truly make any lesson more engaging and interesting to her class. Her teaching style is truly innovative and unique. Mrs. Stanescu uses a variety of strategies and techniques to make her teaching more effective. Her cheerful attitude and excellent work ethics are truly admirable. In addition to teaching art, Mrs. Stanescu has been pushing into classrooms in grades kindergarten through fourth to work with students either one on one or in small groups to provide interventions in reading and math.

Mrs. Stanescu is also an excellent leader. She is a responsible, respectful, supportive, flexible, and passionate teacher. Her leadership includes orchestrating and participating in art shows at our school and across our district and being the lead teacher in her department for numerous years. She represented Hill City Elementary School and served as Pickens County Teacher of the Year in 2013. She also handles change well. For example, she had to adjust to teaching at two different elementary schools for one year due to funding issues and managed that transition smoothly.

As a fellow teacher, I have seen all these outstanding characteristics in Mrs. Stanescu. She will surely be an asset to your school. I find her highly qualified for a teaching position in your prestigious institution.
