To whom it may concern:

I am writing this letter to serve as a reference for Ms. Jacqueline Tipton. I highly recommend Ms. Tipton to your organization for any position of interest. She embodies the qualities that all educational professionals should aspire to possess. Ms. Tipton has long been a model teacher for others in our district to emulate.

I have known Ms. Tipton for over 15 years as a student in her elementary art classes and now observing as a member of the Pickens County Board of Education. She is an outstanding educator in all aspects. Ms. Tipton is knowledgeable and qualified with proper certifications. She has impeccable classroom management. Most importantly, she is rooted in her deep love and passion for young children and helping them grow. She goes above the call of duty, serving her students with compassion and challenges them to reach their full potential.

Ms. Tipton has taken her love and talent for teaching beyond the classroom. She is instrumental in organizing and managing extracurricular fine art events at Hill City Elementary as well as attending school functions that support her students. She is the recipient of multiple educational awards and recognitions. Ms. Tipton has left an indelible mark on the Pickens County School District and the many students she has served (including this one). She will be an asset to any community and organization lucky enough to have her.

Sincerely,

Tucker Green
