To whom it may concern,

Through my experience working with Jacqueline Tipton I have gained great respect for her talent and very professional character. For several years we worked together on the Pickens County Youth Art Month Show. Her work with her children has always been a stand out in the show. One year she brought huge colorful murals that her students created. The murals made the show much more interesting and dynamic. In this way she went far beyond the call of duty.

I recommend Jacqueline, and I think she would be a great asset to any faculty.

Sincerely,

Amelia McIntyre
